| Number | Education Programs - Partnership | | Description of PreK-12 School Needs - | Partners and Collaborators - | Written Agreement - Is |
|--------|--|--|---|---|---|
| | and Collaboration Name | provide a brief description of the partnership and collaboration (about 50 words or less). | Briefly describe (about 50 words or less) how the partnership and collaboration meet the identified needs of the PreK-12 community. | Please list the names of the entities that took part in the partnership and collaboration. | there a written agreement with the partners and collaborators? Yes or No? |
| 1. | Reading Olympics-REAL | Henry Clay Elementary and college students met twice weekly for Reading Olympic practice with topics for literacy focus selected by reading specialist at the school. Included Education students and members of the college's Washington Literary Society. | Reading needs based on assessment below expectations. Wide range of SES factors among students in the schools. Effort to improve literacy skills in this k-2 school setting. | Education students and faculty member as well as college students in Washington Literary Society | Yes |
| 2. | Science mini-lessons for Henrico Elementary Schools (selected schools) | Indoor and outdoor science activities related to geosciences for elementary students. Spanned array of days throughout 2006-2008. | Enrichment and engagement of student interests in sciences. | Tuckahoe Elementary and Three Chopt Elementary and Dr. M Fenster (professor in Physics and Environmental Studies) | No |
| 3. | Earth Day and Elementary Students at John Gandy Elementary in Hanover County | Work with school enhancement project at elementary school in Hanover County near college campus. | 3-5 school with needs for enrichment and contact with community. | Dr. Reber Dunkel (Sociology) and R-MC students | Yes |
| 4. | Student teaching and field work placements in Hanover schools | R-MC has a long-standing, written partnership with Hanover County schools. The partnership involves college faculty and students who serve the schools in varied ways. The Hanover County schools provide practicum and student teaching placements as well as workshops to develop future teachers. | The partnership meets the needs of PreK- 12 students because students provide tutorial services in the classrooms during field placements; provide enrichment activities; and ongoing special activities at the college campus for local students. College faculty serve on school and county advisory committees and offer teacher workshops and resources to local schools and teachers. | Over 100 practicum and student teaching placements annually at elementary, middle and high schools throughout the county – preservice teachers provide tutoring and instruction under supervision of classroom teachers | Yes |
| 5. | History Dept workshop for Lee-Davis HS Gifted and Talented students | Hanover County asked for support in enriching its options beyond the curriculum for GT 9th and 10th grade students. R-MC offered to provide a workshop on oral history and its relevance to the students' own lives and personal histories. | Gifted 9th-10th grader students with enrichment beyond curriculum that is offered. | Dr Alphine Jefferson with Dr. Brenda M. Davis at Lee-Davis HS | Yes |
| 6. | Saturday Seminars for French teachers in the metro Richmond area | Provides forum for sharing of instruction and teaching enhancements for use by area middle and high school French teachers. | Participation of 20 or more French teachers in the Richmond area . Seminars are annually offered at R-MC through the French Dept. | Professor Amy DeGraff -French Dept at R-MC | No |
| 7. | Saturday Latin Academies for Latin teachers in the metro Richmond area | Provides form for sharing of instruction and teaching enhancements for middle and high school Latin teachers. | Annual program with participation of 15-20 Latin teachers. | Dr. Greg Daughty and Dr. Dan McCaffrey in Classics at R-MC | No |
| 8. | Metro Richmond Science Fair | Professors from across campus serve on review panel and judging for Metro Richmond Science fair. | Annual commitment by at least 3-5 R-MC faculty and is ongoing. | Dr. B. King and Dr. A Conway in Bio and Dr. Serge Shriener in Chemistry and Dr. Brenda Davis in Education/Psych | Yes |
